

How Many Is A 100?

By Doris Chovan

(Sung to "Have You Ever Seen A Lassie")

How many is a hundred,
A hundred, a hundred,
How many is a hundred?
It's 10 groups of 10.

Ten groups of 10.
Ten groups of 10.

How many is a hundred?
It's 10 groups of 10.

Zero The Hero Is Our Friend

By Doris Chovan
(Sung to "London Bridges")

Zero the hero is our friend,
Is our friend,
Is our friend,
Zero the hero is our friend,
He is our number friend.

Zero the hero helps us count,
Helps us count,
Helps us count,
Zero the hero helps us count,
He is our number friend.

Zero the hero saves a place,
Saves a place,
Saves a place,
Zero the hero saves a place,
He is our number friend.

One Hundredth Day Anthem

(to the tune of "Here We Go 'Round the Mulberry Bush")

One H-U-N-D-R-E-D

Is a very special number to me,

Ten sets of ten all in a line,

Make a 100 oh so fine.

We can get there by 2's,

We can get there by ten's

We can go back to zero

And start once again...

(SHOUT)

5, 10, 15, 20, 25, 30, 35, 40, 45, 50

55, 60, 65, 70, 75, 80, 85, 90, 95, 100!

We've been together for 100 days,

Learning and growing in so many ways,

We've come together to sing and say,

Happy, Happy, Hundredth Day!

It's 100's Day Today

By Doris Chovan

(to the tune of "For He's a Jolly Good Fellow")

Oh, It's 100's day today,
It's 100's day today,
Oh, It's 100's day today,
Hooray, Hooray, Hooray.

Hooray, Hooray, Hooray.
Hooray, Hooray, Hooray.

Oh, It's 100's day today,
It's 100's day today,
Oh, It's 100's day today,
Hooray, Hooray, Hooray.
