

---

a      there      I      have

---

is      up      see      the

---

there      have      is      up

---

---

can on a there

---

on can I have

---

is up can on

---

---

am the can on

---

see am a there

---

I have am is

---

---

and am can on

---

am and a there

---

have I and am

---

---

and there can am

---

the see is up

---

have there I a

---

---

there is up am

---

the and I have

---

a see can on

---

---

did in am and

---

in did can on

---

a there did in

---

---

it

had

did

in

---

had

it

am

and

---

can

on

a

there

---

---

him      said      it      had

---

said      him      did      in

---

am      and      can      on

---

---

said it on and

---

in did had him

---

said there up am

---

---

said have I and

---

can on has him

---

had a am is

---

---

said there see the

---

on and can did

---

it had has said

---

---

has

is

had

it

---

have

has

a

there

---

said

at

in

up

---

at

has

had

said

---

at

did

in

it

---

has

there

am

the

---

---

at

has

him

said

---

had

did

it

in

---

and

am

can

on
